POCKET GUIDE TO BRIDGE (PAPERBACK)

Master Point Press, Canada, 2002. Paperback. Condition: New. Language: English . Brand New Book. Designed for those who have finished a beginner course and would like something easy to carry around for reference, this handy little book will fill a major gap in bridge literature. In a humorous, conversational style, it covers all the basics of Standard bidding as well as offering some ideas on play and defense. The book includes a scoring table and a useful glossary of technical bridge terms. Designed to fit in a purse or pocket, this book will be perfect for those times when you want to point to something and say Look partner, it says here you should have done this! and win your argument! This book is aimed at the same market as The Biggest Little Bridge Book in the World , which is published by a New York bridge club, and not readily available elsewhere. This guide is, however, much more comprehensive in its content.
