RESIDENT EVIL 7 STRATEGY GUIDE: A COMPREHENSIVE GAME GUIDES, WALKTHROUGHS AND TIPS OF RESIDENT EVIL 7(UNOFFICIAL) (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Comprehensive. Language: English . Brand New Book ***** Print on Demand *****.Resident Evil 7: Biohazard is a survival horror video game developed and published by Capcom. The game was released worldwide in January 2017 for Microsoft Windows, PlayStation 4 - with support for the PlayStation VR headset - and Xbox One. It is the eleventh main entry and 24th entry overall in the Resident Evil franchise. It is the first main series installment to be played from a first-person perspective. The story follows civilian Ethan Winters as he searches for his wife Mia, which leads him to a derelict plantation inhabited by the Baker family. Ethan makes use of weapons and tools in the fight against the Baker family, and the Molded, a humanoid form of bacteria. Healing items are used in the event of injury and there are puzzles that may be solved to further the story. Instead of being action-oriented like Resident Evil 5 and Resident Evil 6, the survival horror element present in earlier installments and exploration took priority. Thus, the game uses a first-person perspective. It is the first full-length game to be developed in the RE Engine. Get to play this game and get to the end in no time with this strategy guides.
