iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As Normal as Possible is the story of breast cancer from a caregiver s perspective. Ray Hall was the caregiver to his wife, Brenda, from her first diagnosis in 1996 to her passing in 2008. It tells of their journey through treatments, the effects of those treatments on their lives and the many medical evaluations she encountered through their ordeal with this dreaded disease. The story of the cancer and its issues is intertwined with the story of her life during their years together. Ray wanted to tell this story because it helped him with the devastation of her being gone and often when a celebrity is diagnosed with this disease it becomes a huge story and is splashed all over the headlines, which is as it should be. Brenda Hall was not a celebrity known by the public by any stretch of the imagination; as a matter of fact she avoided the spotlight at all costs. She was a celebrity to her family and friends, the people who were part of their everyday lives. But, she was one of the thousands of ordinary women living ordinary lives who are diagnosed with this disease. As Normal as Possible is Ray s loving tribute to his wife and their life together! A portion of the proceeds from all sales will go to fund breast cancer research.
