Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from System of Voluntary, National Revenue: To Replace All Compulsory Taxation, Combined With the Distribution of the Right of Suffrage, Upon Principles Entirely New I am not vain, or presumptuous enough, to suppose, that - favoured beyond every proposal, that ever yet was made - this, my project, is to offer itself to the Public, and meet no opposition old habits - prejudices - mistaken interests - A pride and jealousy - with all their cavilling and captious accessaries, will undertake as surely, such species of warfare and hostility, as their means will permit; but I shall endeavour to repel or answer them, only by the following entreaty, which is, that, having marshalled in the most hostile array, all that they can impress or conjure up, to militate against my system, they will have the goodness to compare the amount of such objections, with the amount of those that subsist, and may be urged against the existing methods of Election, Representation, and Revenue; and having done this, to compare next, against mine, the amount of those objections that are palpable, and recognized, in every other system that has been proposed; including all the unintelligible professions of political faith, lately uttered on the Westminister Hastings - the echoes of all that have preceded.
