Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.

(Mrs. Jane Quitzon DDS)

HAITI! EN AVANT! OUI, NOUS POUVONS. (PAPERBACK)

Trafford Publishing, United States, 2010. Paperback. Condition: New. Language: French,English . Brand New Book ***** Print on Demand *****.Jusqu a present, des gouvernements reellement interesses ont cherche, recommande et meme entame des procedes pour developper Haiti. Ils ont essaye des solutions que les considerations scientifiques semblent imposer. Mais ils ne sont point arrives a faire face avec succes a la gravite de la situation nationale. L auteur, dans ce nouveau texte, apres une breve analyse de la situation nationale, expose les relations entre les echecs subis et les faux antagonismes politiques qui se sont affrontes-causes et effets de la sombre realite nationale. Il affirme avoir decouvert l obstacle a vaincre, et avoir trouve le seul moyen pour mobiliser la capacite evolutive du citoyen haitien et, en consequence, du pays entier. Il insiste sur la necessite recommandee dans son premier livre: eliminer l obscurantisme. Ce nouvel ecrit souligne l importance de la formation humaine et citoyenne de l haitien. Il expose la possibilite, jusqu a present inaccessible, de creer et d harmoniser des relations positives entre le gouvernement et le peuple, et de creer ainsi une vraie democratie. La solution est claire. Elle consiste a elaborer, - a partir de l actuel liberalisme de pauvrete, un liberalisme de richesse -. C est le moment d elaborer un plan imperatif et consensuel de developpement national, a integrer dans l economie mondiale. Disparus les tenebres qui obnubilent nos intelligences et desorientent les aspirations de notre peuple, le reste viendra spontanement par voie de consequence. C est a nous, les hommes, qu il revient de creer notre propre paradis.
