Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Theoryland is an epic poem satirizing the pretentious sorts of academic literary criticism called Theory. This long, ingenious, often witty poem incorporates motifs from T. S. Eliot's Wasteland and The Love Song of J. Alfred Prufrock, but the final confection is lively and contemporary. Price's voice is his own, gliding from highbrow allusion to near-rap to Hollywood phantasmagoria. Theoryland is funny, sad, and one-of-a-kind. Theoryland tells the story of a young professor who wants to be a big-time player in the land of Theory. Theoryland is arguably the best long poem published this year. ----- In the rooms the critics come and sneer: my intertext is all veneer. I may have sinned, my closure fated, Who knew this jargon was two months dated? I can hear the co-eds cringing, each to each, I'm scuttling claws, sunk out of reach.
