Reviews

A whole new eBook with a new standpoint. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this publication to discover.
(Meredith Hoppe)

THE CHRONICLES OF LADY LUCK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Upswings, downturns, bubbles, patent trolls and hackers, venture capitalists and start-ups: sometimes the modern world of high-tech companies seems as ruled by the Fates, the Furies and the Muses as any classical Greek drama. In this collection of intertwined short stories, a Silicon Valley insider imagines the forces of antiquity still active in the twenty-first century-with apps, databases, and a serious yen for skim-milk lattes. That person annoying you in the coffee line may be Nemesis-or Lady Luck. Proceed with caution. Your future depends on what you do next.
