

Pack Mentality: A Virulent Chapbook (Paperback)

By Kneel Downe

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Detective Kurt Lobo. The wolf-spliced detective is probably one of the most popular characters in the VirulentBlurb universe. Harking back to the pulp noir detectives of the 1940 s and 50 s, Detective Lobo is Mike Hammer with hairy hide, a furry Philip Marlowe. He appears, whether as a major or minor player, in every strand and reality of the books of the Blurb and his gruff, cynical humour is now an instantly recognisable voice in the darkness of the City s neon splashed night. Pack Mentality is the last of the four-part Virulent ChapBook set and it ventures onto the gritty streets of the City itself, gathering three short stories - one each from Lobo, his younger brother Lyca and a short report from his police partner Officer Geldof - alongside a taste of something yet to come that will have fans howling for more. Contains strong language and violence. Much like Lobo himself.
