They were the queens of Hollywood's Golden Era. But there's one star that's often left out even though in her time there were few more famous: Anna May Wong. She was a symbol of grace and beauty, but more importantly she broke barriers and became the first Asian American actress to be not just a star, but have international recognition. This book covers the life and times of one of the greatest actresses of all time--from her rise to stardom to her death at 56.
