Behaviour And Self-Organization

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | An Exploration Of Swarm Intelligence, Emergent Behaviour And Self-Organization | Nature with its 3.8 billion years of evolution has come up with the best solutions with maximal performances using minimal resources. As a result, inspiration from nature as God's architecture has always been a valuable desire for mankind. BIOMIMETICS as a new field of study involved with mimicking ideas from natural forms, structures, materials and biological mechanisms, functions and processes has been...
