iUniverse. Paperback. Book Condition: New. Paperback. 138 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This book was written from the heart and from the mind. It is a filtered, clean take on the life of one family minus descriptive or graphic material. The text conveys that both problems and options for healing converge upon the all-important family unit and that as long as we have options, we have hoped to heal. It is intended for parents as a resource on the journey to healed family communications. Techniques and resources are included in the book that provide scaffolding for families in turmoil and transition and that also allow for creative and personal applications. It is a guide that speaks to parents, families, children (especially adolescents), ministers, counselors and friends of families. There truly is something for everyone and includes touches of humor as well as humanitarianism. It is written with love, it is laced with laughter and it is offered in life-support.
