Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Sketch of Camden City, New Jersey: With a View to Business Returned once more to your starting point, after a triumph the most signal in all the annals of war, the habit of improvement which you applied abroad, should follow you like your shadow in all after life. Wherever you pitch your tent, no second winter should settle on barren brambles around it; and though the soft lawn grass may not spring up in the first night, the former sod must be broken up and better seed put in, knowing it will be better some coming day.
