By Jonathan M Vick

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In this holiday comedy, a ragtag group of backwoods brothers are trying to make the holiday season memorable when a blizzard pours in and ruin their plans. Their truck won t start, there s a blizzard, and the eggnog is snowed in the shed. With no way to pick up their girlfriends -- and their Christmas supper -- they take to the woods in search of something to shoot for dinner, and end up popping a cap in jolly old St. Nick. After accidentally shooting Santa, the group tries to convince him that they still should be on the good list. With a slutty Mrs. Claus and an ass-kicking elf thrown into the mix, this production is a welcome change from the traditionally saccharine holiday play. A fast-paced American farce that will quickly turn into your new tradition!.

### Reviews

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
