

Secrets from the Center of the World

By Joy Harjo

University of Arizona Press, Canada, 1989. Paperback. Book Condition: New. New.. 169 x 153 mm. Language: English . Brand New Book. *My house is the red earth; it could be the center of the world.* This is Navajo country, a land of mysterious and delicate beauty. *Stephen Strom's photographs lead you to that place,* writes Joy Harjo. *The camera eye becomes a space you can move through into the powerful landscapes that he photographs. The horizon may shift and change all around you, but underneath it is the heart with which we move.* Harjo's prose poems accompany these images, interpreting each photograph as a story that evokes the spirit of the Earth. Images and words harmonize to evoke the mysteries of what the Navajo call the center of the world.

Reviews

The ebook is fantastic and great. I am quite late in start reading this one, but better then never. Your life period will probably be convert as soon as you comprehensive reading this ebook.

-- **Dr. Albertha Hoppe**

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
