

Separation of Church State: A Growing Moral Divide

By Dr Ian N Toppin

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Separation of Church and State: A Growing Moral Divide addresses debates surrounding many of today s hot-button topics. These topics include: abortion rights, the role of science in society, same-sex marriage rights, and euthanasia rights. Topics are discussed in light of changing dynamics on national and global political and economic fronts. Readers will find this book intriguing because the discussions either directly, or indirectly impact everyone. Even casual observers are likely to have an opinion about these issues, which is why care was taken to provide a balanced examination of each. However, the Biblical perspective is given preeminence.
