

## Descriptions of Occupations: Coal and Water Gas, Paint and Varnish, Paper, Printing Trades, Rubber Goods (Classic Reprint) (Paperback)

By United States Bureau of Labo Statistics

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Descriptions of Occupations: Coal and Water Gas, Paint and Varnish, Paper, Printing Trades, Rubber Goods The objects of these descriptions are to furnish definitions of the various occupa tions, so that specifications for help may be made uniform, and to furnish a means by which the prospective employee may be informed as to the nature of the work he will be expected to do. Each occupation has been described under the most generally accepted title. The descriptions have been carefully prepared with the view of stating clearly and brie?y what each occupation requires in the way of performance and qualifications, so that a foreman or employment manager can readily specify the help wanted and can pick the worker best fitted to fill the position. Without such standard definitions advertisements and appeals from the various Government departments or from a central employment agency would lose their effectiveness, especially when the recruiting is Nation wide. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
