

Fuck This Shit (Paperback)

By Zed Dee

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Zed was on the way to being a thirty year old virgin when he decided to pay for sex. But he found out that sex, for him at least, was not a wham-bam-thank-you-ma am kind of thing. He has a condition called delayed ejaculation; he has no problems getting and maintaining an erection but has trouble reaching an orgasm. He is autistic as well. The social deficits that come with autism was a very big part of why he had to pay for sex in the first place. In this fascinating and unique memoir, Zed tries to piece together the puzzle that is himself in order to understand the nature of his dysfunction. With understanding comes acceptance, perhaps even a kind of happiness.
