

Victorian Visions of Global Order: Empire and International Relations in Nineteenth-Century Political Thought (Paperback)

Filesize: 7.86 MB

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

VICTORIAN VISIONS OF GLOBAL ORDER: EMPIRE AND INTERNATIONAL RELATIONS IN NINETEENTH-CENTURY POLITICAL THOUGHT (PAPERBACK)

[DOWNLOAD](#)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2012. Paperback. Condition: New. Reissue. Language: English . Brand New Book ***** Print on Demand *****.This wide-ranging and original 2007 study provides an insight into the climate of political thought during the lifespan of what was, at this time, the most powerful empire in history. A distinguished group of contributors explores the way in which thinkers in Britain theorised influential views about empire and international relations, exploring topics such as the evolution of international law; the ways in which the world was notionally divided into the civilised and the barbarian ; the role of India in shaping visions of civil society; grandiose ideas about a global imperial state; the development of an array of radical critiques of empire; the varieties of liberal imperialism; and the rise and fall of free trade. Together, the chapters form an analysis of political thought in this context; both of the famous (Bentham, Mill, Marx, and Hobson) and of those who, whilst influential at the time, are all but forgotten today.
