Excerpt from The History of East Bridgewater East Bridgewater is certainly very old, but poor in its written history. Its stories will vanish forever unless secured in this generation. This little book of mine is also a plea for the help of those who have materials about the town. It is a peculiar idea that tomorrow can be faced without trying to understand the past. The man with no roots is bound to repeat his ancestors errors. In a few years I would like to publish a complete history of the town, hardbound and about 300 pages in length. Anything you can do to provide me with stories for it will be warmly received. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
