

Someone Changed My Bible!: A Study of Abused and Misused Scriptures (Paperback)

By Ron McRay

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Can the context of scripture be changed by altering just one word in a chapter or entire book? Is it possible that we go through our life reading the Bible without realizing that we have either left out a word, inserted a word, or substituted a word (or phrase), which makes the meaning totally different from what we practice? In this book, Ron McRay takes a different tack from his usual style of writing. He impresses upon you to decide what the significance is of changes that have been made in the Bible. Do you want to know the truth? If so, it will require effort and may cause you to change your understanding. Is God's word important enough to you to study it and discover what it really says and means? If so, you will find, Someone Changed My Bible! an interesting quest that will enlighten you. People are constantly told by church leaders that they are not allowed to take away, add to, or alter the things of the Bible. However, it is done every day....
