How to use the Animals are Dicks Coloring Book UNCENSORED Edition That means its full of Swear Words, Curse Words, Profanity and a ton of other vulgar shit. Youve been warned! This is a coloring book devoted to each and every one of us. We can all use a good giggle every now and then, so this is how we can do it in a fun way! Renew your love of animals and coloring with this fun journey through the forest with some funny, often thought provoking phrases and quotes along the way. Animals can really be dicks. Every time some fish jumps out of a boat and hits a fisherman, or a bird purposely takes a dump on your newly washed car . . . you know its not accidental. For every cute kittens glance there is a sinister cat lurking in the shadows, peeing and smearing little cat turds all over the house. For every wonderful puppy, there is some stinky little bastard sliding across your carpet with their smelly ass leaving a trail. So we thought we would take you inside the mind of the animal kingdom! We guarantee you . . . youve never shared the joy of animals quite like this. This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but theyre anything but. We also added some really cool coloring pages that are just for you to zone out after reading our madness. We think youll love the designs and create some incredible pieces of art! Our idea with this...
