THE TEN COMMANDMENTS, A COMMON MAN S OPINION

Augustpress, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Ten Commandments, A Common Man s Opinion This opinion was written as a straight up analysis of one of the most important documents ever given to, and recorded by, Man. The Ten Commandments is not only key to all of western civilization, but is also key to each individual life. It is about the relationship of God to Mankind and the relationship of man to man. The writing itself was a discovery mission. There have been other opinions written in the past, and today, by scholars and intellectuals and clergy. This opinion is written by a layman who likes to think and contemplate realities that have come into our...
