Outskirts Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Being and living as a child of God. God has blessed me with my own businesses. I was blessed to have a trucking business for about ten years, with 15 employees employed in my business. One day in April 2012, I was taking one of my trucks (eighteen wheeler type) to a garage in Jasper Texas for repairs. I was involved in a major accident in Jasper. I was hit by a loaded eighteen wheeler truck and the damage was terrible. I was thrown through the windshield and when I landed on the asphalt, my head was busted open. I know this don t sound true but I died in the wreck for a few minutes. God came from where ever he was to Jasper Texas, where my wreck was. I did not see him as a person but I saw a Spirit, I knew it was God. The spirit was a little darker than the atmosphere, he spoke to me and told me the Devil wanted me dead, but he loved me and was going to let me live. They took me to Jasper Memorial Hospital in Jasper. They looked at me and decided my injuries were too serious for them. They had me air lifted to Beaumont Texas to Saint Elizabeth hospital. I was in ICU for 10 days and three weeks in a room and I was pushed in a wheel chair. I have got to cut off here, read this book to get more details.
