Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Leandra Weal has a bad habit of getting herself in dangerous situations. While hunting neodemons in her role as Warden of Ixos, Leandra obtains a prophetic spell that provides a glimpse one day into her future. She discovers that she is doomed to murder someone she loves, soon, but not who. That s a pretty big problem for a woman who has a shark god for a lover, a hostile empress for an aunt, a rogue misspelling wizard for a father, and a mother who - especially when arguing with her daughter - can be a real dragon. Leandra s quest to unravel the mystery of the murder-she-will-commit becomes more urgent when her chronic disease flares up and the Ixonian Archipelago is plagued by natural disasters, demon-worshiping cults, and fierce political infighting. Everywhere she turns, Leandra finds herself amid intrigue and conflict. It seems her bad habit for getting into dangerous situations is turning into a full blown addiction. As chaos spreads across Ixos, Leandra and her troubled family must race to uncover the shocking truth about a prophesied demonic invasion, human language, and their own identities - if they don t kill each other first. Spellbreaker is the long awaited sequel to Blake Charlton s Spellbound, which was listed by Kirkus Reviews among the Best Science Fiction and Fantasy of 2011. This final installment of the Spellwright Trilogy stands alone as a complete story; however, fans of the series will find in it answers to the questions raised by the previous books about Leandra s parents, Nicodemus Weal and Francesca DeVega.
