BRAND NEW, Spelling Simplified, Judi Kesselman-Turkel, THE STUDY SMART SERIES, designed for students from junior high school through lifelong learning programs, teaches skills for research and note-taking, provides exercises to improve grammar, and reveals secrets for putting these skills together in great essays. Millions of people want to learn to spell correctly, but they fear the task will be tedious and painful. Now, with the unique, logical approach presented in Spelling Simplified, anyone can become a skilled speller quickly and easily. Through the use of simple and effective exercises and tips, "Spelling Simplified" illustrates what many poor spellers forget that the way a word is spelled is closely related to the sound and meaning of that word. Chapters devoted to syllables and stress, patterns in the language, consonant clusters, and vowel-consonant combinations are included, each complete with its own set of examples and exercises. From the simplest root words through longer words derived from foreign languages, "Spelling Simplified" guides you through basic techniques for learning how to hear a word, how to master irregularities, and how to form large words from smaller ones.
