Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One of the first matters to be addressed by the Second Vatican Council was the question of how to reform the sacred liturgy of the Church. This had been a matter of widespread concern for decades, not only among -progressive- clergy and theologians, but throughout the general rank and file of those entrusted with pastoral duties. This concern was not confined to the rite of the Mass, but extended to sacraments, sacramentals, prayers, music and art. While it was inadmissible to alter any of the ancient doctrines pertaining to the form and efficacy of the sacraments, there was nonetheless a generally perceived need to reform the cultural modes by which the Church's graces are administered. More concretely, the exclusive use of the Latin language in liturgy posed an obstacle to the active participation by laity. Masses often became occasions for private devotion, so that there was a disconnect between the nominally public liturgy of the Church and the prayer experience of the laity. Even when prayers were translated into the vernacular, they included terms and concepts that were scarcely intelligible to most modern people, so that prayer effectively was little more than rote recitation. There was a need, therefore, to make the Church's treasury of prayer more accessible to the modern mind, without compromising the revealed truths and mysteries to which prayer directs the soul. As the Church in the twentieth century had expanded well beyond Europe and the Americas, liturgical forms grounded in Latin culture sometimes posed an obstacle to the propagation of the faith. The universality of the Church should preclude confining its message to a Latin European cultural manifestation, but instead it should be...
