Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHEN GOD STEPS IN. (PAPERBACK)

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a promise I made to the Lord. I promised Him if He would get me through the situation I was in; I would use my experience to tell others about His provision. He did His part and now I have no choice but to tell my story. Ever since I was young, the Lord has given me visions. As a matter of fact, as I began writing this book, God took me back ten years and revealed how He s been guiding me through every situation. I don t know what is going to happen next, but there is one thing I know for sure, the same God that has stepped in and protected me for the past ten years is going to get me out of whatever mess I find myself in! No one can stop me from praising and worshiping Him. The more they persecute me the stronger I stand in my faith. Now I can freely and confidently say He is the God of Abraham, Isaac, Jacob, and He is also my God! And I am convinced and sure of this very thing, that He Who began a good work in you will continue until the day of Jesus Christ [right up to the time of His return], developing [that good work] and perfecting and bringing it to full completion in you. (Philippians 1:6 AMP).
