The idea of ultimate truth is treated with suspicion and those who have certainty are considered a threat. If we look at the Bible however, we can see that we need to be sceptical of such scepticism!The Epistles of John are counter-cultural. They maintain that there are things we can be absolutely sure about. We can be sure about the love of God, his redeeming work and that we can know him personally. These precious epistles have so much to offer the 21st Century Christian, let this study help you towards what will be a reinvigorating experience.
