Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. An outstanding collection of the world s best contemporary poetry selected by the editor of Antaeus magazine From the powerful poems of Nobel Prize winner Czeslaw Milosz to the articulate voice of award-winning American poet Robert Haas, this magnificent collection provides a unique cross section of great modern poetry. All originally published in Antaeus, these works ring out with the familiar voices of long-recognized poets, such as William Carlos Williams; poignant lines from today s most notable women, such as Louise Gluck and Adrienne Rich; and verse from outstanding international poets--Poland s Zbigniew Herbert, Greece s prolific Yiannis Ritsos, England s famous John Fowles. The wide spectrum of poems selected from Antaeus creates a rare, comprehensive portrait of poetry in the twentieth century, and a volume destined to become a classic. Antaeus has never lost its flair for the adventurous or betrayed the touchstone of the highest standard in new literature. --Nadine Gordimer.
