

Anesthesia and Perioperative Care for Aortic Surgery (Paperback)

By -

Springer-Verlag New York Inc., United States, 2014. Paperback. Condition: New. 2011 ed.. Language: English . Brand New Book. This book is the first of its kind - a comprehensive reference for anesthesia and perioperative clinicians involved in aortic surgery. With a primary focus on anesthesia for various aortic surgical procedures, including endovascular aortic surgery, the title also provides expanded coverage of CNS monitoring and protection, intraoperative transesophageal echocardiography, renal and spinal cord protection during surgery, management of aortic trauma, and postoperative care. Written by top cardiac anesthesiologists, surgeons, and intensivists, this indispensable reference provides everything you need to know about the burgeoning field of aortic surgery in one handy volume.

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Lois Cormier II**

This composed pdf is excellent. We have go through and that i am certain that i am going to likely to read again once more down the road. I am just happy to explain how this is basically the very best publication i have go through within my own daily life and can be he best publication for actually.
