Step Up to the TOEFL(r) iBT is a series of skills-based textbooks that helps low-intermediate and intermediate students prepare to take a step up toward success on the TOEFL(r). These are not a test-preparation books: instead, the books teach some of the fundamental vocabulary, grammar, and pronunciation skills necessary for the test. Although the TOEFL(r) does not directly score vocabulary, grammar, and pronunciation, weaknesses in these areas will severely impair students performance on all areas of the test. Therefore, every point covered in Step Up to the TOEFL(r) iBT will benefit test-takers on one or more sections of the test. Each of the eight units addresses one rhetorical function and includes: Learning Targets and their relevance to the four sections of the test Getting Started questions to activate prior knowledge two Vocabulary You Need topics that introduce a range of key words used to accomplish the unit function a Vocabulary Skill to build learner autonomy in...

Reviews

An extremely great ebook with lucid and perfect explanations. It is full of knowledge and wisdom Its been printed in an exceedingly straightforward way in fact it is merely right after i finished reading through this publication by which really transformed me, alter the way i believe.

-- **Spencer Fritsch**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
