Steamy Trails Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Anthony is a humble man that uses poetry to express what he knows, believes and passionately feels about culture and history. He appreciates everyone willing to have the courage to take this journey with him for a better understanding of MY PEOPLE, OUR TRIALS AND TRIBULATIONS. Through poetic expression, this book is the beginnings of fulfilling his desire to share knowledge with the younger generation with more about their ancestors and culture; letting them know they are much more than what some in society has labeled them. He hopes through his writing he is able to educate others more about the historical significance of the challenges African Americans as well as the contribution of African Americans throughout history including those events which are very rarely discussed or taught in public schools, such as African American roles in the Civil War. He hopes to shed more light on the strength of Black People throughout history.
