Regent College Publishing,US, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We need to know who Jesus is. But where can we turn to find out? Many people look only to the New Testament for answers. But reader of The Servant King will find that the Old Testament, beginning with its very first pages, paints a portrait of the Messiah, the Saviour of the world: where he will come from, what he will be like and what he will do. By the time we reach the New Testament, much of the portrait has emerged, so that the Jesus we encounter is not a stranger. We are able to see, like the first disciples, that he is the Messiah already promised, the Servant King. With great skill, Desmond Alexander helps us see the portrait s first brush-strokes being laid down in Genesis and more being added as the Old Testament story unfolds. Then, as he guides us through the New Testament, we discover how the portrait is completed revealing Jesus in all his glory. This book brings the whole picture into view. It helps us see who Jesus was, where he stood in the plans of God and what he was sent to do. If we read with care and faith, The Servant King will help us enter the richness of God s Word, and we will understand better, not just who Jesus was, but who he is today. The Servant King is written with the sort of authority only a leading Old Testament specialist can command; but its deep learning is not allowed to intrude and the book has all the charm and helpfulness of a piece of enthusiastic Bible study, presented with freshness and accuracy. -Alec Motyer, Trinity College, Bristol T....
