Lynda Madden Dahls masterful capacity for interpreting and applying the Seth principles has no equal, and she illustrates that with startling clarity in this fourth book of her Living a Safe Universe series. With her fantastic ability to break down the intellectual density of the Seth material, Lynda articulates essential elements into a straightforward series of easy to read points, with the emphasis on psychic health. Through highlighting the fundamental need to recognize our oneness with our whole self and the necessity of having faith and trust in that knowledge, Lynda describes in simple but practical terms the basis of how to use our energy to create enlightened constructions.
