Brand New Book ***** Print on Demand *****.In certain circumstances and in certain moods ideas flashed before my mind that there is something otherwise than dictation of Organized Religion. The wonderful Hyman of Creation of Rig Veda - one of the oldest surviving records of philosophic doubt in the history of the world marks the development of high stage of abstract thinking. gives heat and light and also opened vista of ideas of the book. Believe in God or in Absolute, but not to believe in Organized Religion-which is not natural but is man-made, that not having Global Order and Oneness Principle. We need such Religion which should give light, that light should show the path, that light should bring us from darkness to dawn of life and spirituality.
