

Syphilis in Its Medical, Medico-Legal and Sociological Aspects (Classic Reprint)

Filesize: 4.45 MB

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

SYPHILIS IN ITS MEDICAL, MEDICO-LEGAL AND SOCIOLOGICAL ASPECTS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Syphilis in Its Medical, Medico-Legal and Sociological Aspects Contagious diseases, as a menace to the individual by their method of spreading, and as a menace to the race by their transmitted hereditary taint, offer an interesting field of study to the physician. The physician, more than anyone else, must try to prevent their spreading, and must enlighten the people concerning their existence and their consequences, so that the necessary precautions may be taken to protect society. Syphilis, as an infectious and contagious disease, which is communicated to the healthy by inoculation, and is transmitted by heredity to the fetus, either kills the fetus in utero, or causes the child to come into the world a tainted creature, demands our attention as a subject for study of deepest interest. The connection between syphilis and social relations is so little understood that the name of the disease alone is sufficient to cast a mark of dishonor on the man who has had the misfortune to be inoculated. The public in general, ignorant of causation, is unable to understand the difference between one innocently infected and one who exposes himself to infection through lack of morality. Indeed, we shall never expect to be understood by superstitious people who, with religious devotion, carry about a potato in their hip pocket, which they believe will absorb all their rheumatic humors, or by those who carry pieces of carbon left by the arc lights for the same superstitious purpose. Neither do we expect to be understood by those who, on account of their belief in occult virtues, wear an iron ring on their little finger, which they claim to be electric...
