An Elementary Treatise on Statics: With a Biographical Notice of the Author (Classic Reprint)

By Gaspard Monge

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Elementary Treatise on Statics: With a Biographical Notice of the Author A want has long been felt in this country of a good elementary treatise on Theoretical Mechanics. The books on that subject, in the English language, are mostly voluminous, and either adapted to the comprehension of those only who have mastered the various branches of analytical mathematics, or composed chiefly of practical and descriptive details. Hence, an accurate knowledge of the general laws, or grand fundamental truths of mechanics, so important to all men, in this eminently practical age and country, and especially to those who have some one of the useful arts as their daily occupation, has hitherto been attainable only by highly educated men. One of the consequences of the want of a familiar acquaintance with the mechanical laws, upon which all machines, of whatever possible kind, must depend, is the large number of failures of inventions occurring every year.
