Awesome Book of Letter Tracing! Makes Learning Fun! Kindergarten Sight Words This Kindergarten activity book combines letter writing practice and a sight word workbook all in one. Makes a wonderful summer transition workbook for older preschool children and even those entering Grade One in the fall. Sight word tracing helps your child learn to recognize those first important words in a fun and tactile way which helps to build a solid reading readiness foundation. The sight words in this Kindergarten Sight Words Workbook are those from the Dolch Sight Word List and are those most commonly used in the classroom. There is one page of letter tracing provided for each sight word as well as a blank practice page where your child can work at writing the words without the help of the outlined letters. At the end of the book there are extra lined pages for even more practice. Makes a great summer bridge activity book for both children entering Kindergarten and Kindergarten graduates.
