Sea Raven Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the first page of Genesis to the last page of Revelation, the Bible overflows with thousands of scriptures on one of God's most spectacular gifts to humanity: the Law of Attraction! While some are obvious, many are buried beneath the traditional arcane language that is so often used by great spiritually enlightened teachers. In *The Bible and the Law of Attraction: 99 Teachings of Jesus, the Apostles, and the Prophets*, award-winning author, historian, and Bible authority Colonel Lochlainn Seabrook remedies this situation by bringing to light some of the more powerful Law of Attraction principles recorded in the Good Book. Excerpted from the King James Version, each scripture is explained in modern English, in most cases with a helpful translation of its inner or esoteric meaning. Among the many lessons you will learn are how to approach God with your requests, the vital importance of thought, faith, and love, how to heal any disease, the startling reality of your divine nature, why you are entitled to be happy, healthy, and prosperous, the reasons God wants you to live the good life, how to correctly use your thoughts to enter the Kingdom of Heaven, and the true meaning of many of the coded words used by the Bible's Law of Attraction teachers. With nearly 650 endnotes and over a thousand scriptural references, *The Bible and the Law of Attraction* is the perfect guide to get you started on the road to creating your ideal life! Bible expert and Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today....
