

Caregiving in Alzheimer s and Other Dementias (Paperback)

By Eric Pfeiffer

Yale University Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. An essential guide for everyone who provides care for a person with Alzheimer s disease or other dementias Practical. Easy to read. Comprehensive. Encouraging. Accurate. All of these words describe this indispensable book that belongs in the hands of all family members and other caretakers of people who have been diagnosed with Alzheimer s disease or other dementias. Dr. Eric Pfeiffer, a physician who has devoted thirty years to patients suffering from all forms of dementia, here distills the wisdom of those years for the benefit of caregivers confronting some of life s most challenging days. Dr. Pfeiffer s genuine compassion and wise advice are certain not only to reduce caregiver stress but also to improve the patient s quality of life. In these pages are specific tips for all stages of caregiving, from the initial realization of the problem through mild, moderate, and severe stages of dementia, and even beyond, when a caregiver begins to resume a full life after the patient s death. Dr. Pfeiffer identifies specific problems and provides practical solutions. He explains the importance of support groups and many other means...

Reviews

This ebook can be well worth a go through, and far better than other. Sure, it can be enjoy, continue to an interesting and amazing literature. I am just delighted to tell you that this is the greatest book i have got study within my personal daily life and could be he very best publication for actually.

-- Miss Susana Windler DDS

A must buy book if you need to adding benefit. It really is writer in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.
