Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Ce livre n est pas le travail academique d un theologien, il n est pas non plus adresse aux theologiens. Il est adresse aux personnes qui ont foi en Dieu, mais qui pensent ne pas avoir l opportunit  d atteindre une veritable comprehension de cet enseignement. Mon livre se refere seulement aux ecritures saintes du Coran plutot que ma perception et interpretation personnelle de ces ecritures saintes. j ai choisi Versets sur differents chapitres (Sura) du Coran et je les ai organises sous differents sujets. J ai choisi de rassembler principalement des versets relatifs aux sujets que je considere etre l essence de la verite de l Islam envoye par Dieu. En redigeant ce livre j ai considerablement utilise Le Saint Coran du Professeur Mohammad Hamidullah et j ai consulte aussi le magnifique travail de Muhammad Asad The message of the Coran et le travail formidable de A. Yusuf Ali The Holy Coran. Afin d aider a une meilleure comprehension de certains sujets, j ai introduit des EXPLICATIONS apres avoir consulte le professeur Dr. Salih Tug, ex-doyen de la faculte de theologie de l Universite de Marmara a Istanbul et le professeur de theologie Dr. Hamid Algar de l Universite de Californie - Berkeley.
