LITTLE ESSAYS OF LOVE AND VIRTUE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

This is a new edition of Little Essays of Love and Virtue, originally published in 1922 by George H. Doran Company, of New York. Part of the project Immortal Literature Series of classic literature, this is a new edition of the classic work published in 1922-not a facsimile reprint. Obvious typographical errors have been carefully corrected and the entire text has been reset and redesigned by Pen House Editions to enhance readability, while respecting the original edition. The book touches on important topics such as Children and Parents, The Meaning of Purity, The Objects of Marriage, Husbands and Wives, The Love-Rights of Women, The Play-Function of Sex, and The Individual and the Race. Little Essays of Love and Virtue is aimed primarily at young people, youths and girls at the period of adolescence who were in the author's thoughts in all the studies he wrote of sex because he was of that age when he first vaguely planned them.

Ellis was a social activist, a physician and a psychologist, whose best-known works concern sexuality and criminology. In 1890 he published *The Criminal*, a remarkable work on criminal anthropology; in the same year he wrote...
