Make sure your practice skills are up-to-date with the changes brought on by managed care As a result of escalating costs, the focus of health care in the United States has shifted from inpatient, hospital-based care to outpatient care in the community. Social Work Practice in Community-Based Health Care is a comprehensive guide to the knowledge and skills needed to provide effective and efficient practice within a managed-care context that s focused on a diversified, aging consumer population and high-risk health conditions.
