Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Battle Fatigue, Mark Kurlansky, Growing up in the years following World War II, Joel Bloom always played soldiers with his friends. But by the time he's eighteen, the Vietnam War is in full swing, and it's not as simple as the war games he played when he was a child. Old enough to be drafted, Joel loves his country, but he knows that fighting in an unjust war isn't something he can do. After trying and failing to be a conscientious objector he leaves for Canada - a decision that will help him avoid the physical conflict of the war, but will create another inside of him that will take much longer to resolve. An insightful and compelling novel that explores one boy's struggle to understand himself and the harsh realities of life during wartime.
