Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.For cat lovers and those Peter Mayle and Stephen Clarke fans who dream of moving to the South of France: Mr. Blinkers is not happy about emigrating to the South of France with Hans and Victoria, though he has been promised fountains of tuna. He should have known it was all a ploy. A British tabby cat knows better than to expect paradise in a foreign country. His point is duly proven when the Provencal villa that they move into turns out to be a disaster. From the moment the dubious, perfume-laden vendors arrive, things go south for the family. A perceptive tabby with incomparable skills of deduction, Mr Blinkers is set on a journey to discovering all the aches and pains of the villa, while Hans and Victoria try to recover their losses. At the same time he is adrift in a new place, and not a very nice one. Follow Mr. Blinkers as his humans survive in the Provencal villa, and he meets his lifelong love Roe, while floods threaten to wash away his favourite sleeping spot. Blinkers will come face to face with Jinx, a one-eared tomcat who terrorizes the street, HIS street. As Blinkers helps his humans navigate the treacherous French property market, a revenge plot unfolds involving a yappy poodle, the earless shadow cat and a very long, very slippy slide. In the end who knows what lessons Blinkers may pass onto his humans, in his endless quest for more attention, more power, and more tuna. Join Mr. Blinkers in Le Tomcat Diaries and discover how NOT to invest in the French property market. Tags: Cat gifts for cat lovers,...
