Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The life of Saint Anselm is well known. It belongs to the history of England. By nature a recluse and a thinker, he was called upon to play an active part in political life under circumstances of great difficulty. In the midst of these he bore himself with a conscientious uprightness, a quiet dignity and a persistency in the refusal to sacrifice principle to expediency which justified those who called him against his will to the throne of Canterbury: but his heart was elsewhere, in that passionate search for the innermost meaning of his religious belief, of which the history of the Church affords no more striking example than his. The quarrels about investitures, about the relations of Church and State, of Pope and King, which distracted his outward life in his later years, have left no trace in his writings.! In a selection from these, intended to form part of a Library of Devotion, we need not dwell long upon them. The only one of the works here translated, the date of whose composition is known to us, was written before Anselm was archbishop, while he was still living in the seclusion of his abbey at Bee in Normandy. Even of this earlier part of his life information is so ready to hand that I do not propose to give here more than a very brief account of it. The following outline will be sufficient to inform the reader what manner of man the author was, whose devotions are put before him. Anselm was born in 1033 at Aosta in Piedmont, a Burgundian city of Roman origin, governed by its own prince-bishops, and lying at the...
