Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The New York Times Best Seller With You. Do not listen if you are sensitive to disturbing scenes, as the next novel, Torn from You, is a very dark romance. Sculpt is an illegal fighter. He's also the lead singer of a local rock band. No one knows his real name. And from the moment I met him, he made me forget mine. In order to convince Sculpt to give me self-defense lessons, I had to follow his one rule: no complaining, or he'd walk. I didn't think it would be a problem. I could handle a few bruises. What I hadn't anticipated was landing on my back with Sculpt on top of me and my entire body burning up for him. I tried to ignore it. I failed, of course. And having a hot, tattooed badass on top of me week after week, acting completely immune to what he was doing to me - it was frustrating as hell, so I broke his rule. I complained. Then he kissed me. Author's note: This novella is a prequel. Listening to it before Torn from You is not required but is highly recommended. Warning: huge cliffhanger. Like huge! However, With You is released on the same day as Torn from You the novel. Due to sexual content and strong language, not recommended for listeners under 18.
