

Idea Man: A Memoir by the Cofounder of Microsoft (Paperback)

By Paul Allen

PORTFOLIO, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The entire conversation took five minutes. When it was over, Bill and I looked at each other. It was one thing to talk about writing a language for a microprocessor and another to get the job done. If we'd been older or known better, Bill and I might have been put off by the task in front of us. But we were young and green enough to believe that we just might pull it off. Paul Allen, best known as the cofounder of Microsoft, has left his mark on numerous fields, from aviation and science to rock n roll, professional sports, and philanthropy. His passions and curiosity have transformed the way we live. In 2007 and again in 2008, Time named him one of the hundred most influential people in the world. It all started on a snowy day in December 1974, when he was twenty-one years old. After buying the new issue of Popular Electronics in Harvard Square, Allen ran to show it to his best friend from Seattle, Bill Gates, then a Harvard undergrad. The magazine's cover story featured the Altair 8800, the...
