Penguin Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. The second book in the Alex Craft urban fantasy series about a Grave Witch who can talk to the dead. Perfect for fans of Charlaine Harris and Cassandra Clare. Memories hid in every cell of the body. Memories that my grave magic could unlock and give shape as a shade. Of course, that depended on having enough of the body at my disposal for my magic to fill in the gaps. After a month spent recovering from a vicious fight with a sorcerer, Grave Witch Alex Craft is ready to get back to solving murders by raising the dead. With her love life in turmoil thanks to the disappearance of FBI agent Falin Andrews and Death s shocking L word confession, Alex is eager for the distractions of work. But her new case turns out to be more of a challenge than she was expecting. The police hire Alex to consult on a particularly strange investigation in a nature preserve. The strange part? There are no bodies, just leftover pieces. With a probable serial killer on the loose and no way to raise a shade without a body, Alex will have to rely solely on her ability to sense the grave to lead her to the dead. But with the strain of overusing her magic, this might be the last case Alex ever solves . . .\*\*BOOK FIVE IN THE ALEX CRAFT SERIES, GRAVE RANSOM, IS OUT NOW!\*\*.
