The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an enlightenment program to help believers grow in faith and move forward to a greater level of their spirituality. And so, it highlights the needs and importance of works, the works of faith. For faith without work is dead (James 2:26) Your inability to move mountain is not as a result of your little faith as every great product is not measure by the quantity but by the quality. There are too many believers who are wandering in the wilderness and not enjoying the fullness of what God has provided for them. And so, the purpose of this book is to show believers how powerful we are, how effective our words can be and how we can move mountains by our little faith. Many Christians lament on their lack of faith. The Faith That Works is an eye opener to help every believer enjoy the good things of life as God has designed from creation.
